We are excited to have reopened all of our core programs and welcomed volunteers back into the building.

Your generosity **inspires** the best in us and brings **relief** to those in need. **Thank you.** You have helped us implement changes in program delivery to meet the demands of our community while keeping our staff safe. We are ever grateful for your continued support.

**DOMESTIC VIOLENCE & SEXUAL ASSAULT SERVICES**

We are seeing a **dramatic increase** in requests for Domestic Violence support. In the last month alone, this program has seen a nearly **300%** increase in clients.

Our Emergency Shelter is open and we are providing support resources for more clients than ever before.

**24-HOUR HOTLINE: 804-980-6267**

**FOOD PANTRY**

We are offering **online** and **phone pre-ordering** and **contact-free, curbside grocery pick-up.**

What a difference it has made to welcome back some of our Food Pantry volunteers!

### MEDICAL and DENTAL CLINIC

After implementing a number of safety measures, we are seeing patients **in the Clinic** and, when possible, continuing to offer Tele-Medicine and curbside medical visits.

The need for emergency **dental care** has **risen**. We are especially grateful to our **7** volunteer dentists for providing emergency care in their offices this spring. Upon re-opening, our Dental Clinic treated **69 clients** in July. **Check-out** the innovative ways we are working to create a safe Clinic environment!

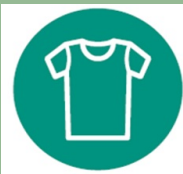

### FINANCIAL ASSISTANCE

We anticipate the need for financial assistance to increase as we move into the fall. Those seeking help paying a bill can **apply by phone**.

### MEDICAL TRANSPORTATION

Medical Transportation is back! The van is limited to 3 riders a day to ensure social distancing and moisture guards have been installed to keep everyone safe. All riders are required to wear a mask and check their temperature before boarding.

### CLOTHES CLOSET

In addition to accepting donations Monday, Wednesday, & Friday, the Clothes Closet is now open to registered **clients** for shopping by appointment only - with new guidelines in place to keep everyone safe. Clients shopping for children's clothing can also order by phone.

### REGISTRATION

In addition to offering phone registration, we will soon offer **online registration** for people seeking assistance from GoochlandCares.

THANK  
*you*
