Our Mission
To provide basic human services and health care to our Goochland neighbors in need.
Dear Friends,

The 2020 year brought us all unprecedented events challenging our health and well-being, a devastating pandemic, economic instability, record breaking unemployment, economic hardships, school closures, physical and social isolation and racial tensions. Downturns in emotional health could have frozen us in fear and chaos. Yet together with your support, we stood in strength and resolve, determined to continue to serve those in our community in need.

Your spirit of shared empathy and generosity was evident. It enabled GoochlandCares to quickly activate and restructure operations. We never missed a day providing for our 2,518 neighbors with food, housing, health care, safety and other basic needs. We were able to keep all our staff safe and employed.

During times like this we learn how selfless, understanding and committed our community is. As we continue to navigate a global pandemic and a nationwide discussion on ending systemic racism, we are grateful that the progress we make in our mission will be furthered by dedicated supporters like you.

Thank you for your partnership in our mission. Together we are emerging stronger and making a meaningful difference for our neighbors in need.

Sincerely,

Paul Springman

GoochlandCares envisions an equitable community in which all persons have their basic needs met, empowering them to lead lives of self-dignity and well-being.
YOU make us strong.

Since 1952, you have been a safety net for those in crisis with nowhere else to go. Staff and volunteers use a trauma-informed approach to deliver care with compassion and dignity.

Your support of GoochlandCares’ twelve programs allows each client’s unique circumstances to be addressed.

In 2020, you cared for

2,500 Goochland neighbors with health, hunger, housing, safety, and other basic needs.

Our Promise

GoochlandCares delivers quality, client-centered services with compassion and dignity.
YOU were here.

Despite the challenges of the pandemic GoochlandCares has continued to thrive as a place for our neighbors in need to come for help.

The key to our success was You, our community.

**YOU made us responsive**
- GoochlandCares staff began following CDC guidelines
- Wearing masks
- Acquiring PPE for dental and medical visits
- Making wellness calls to donors and clients to check on their needs and safety

**YOU made us irrepressible**
- GoochlandCares never closed or stopped serving clients
- All staff stayed employed
- IT capabilities upgraded & facilities adjustments
- Pivoted to virtual events

**YOU made us resourceful**

- *GoochlandCares strengthened community partnerships:*
  - Sheriff department & Fire & Rescue delivered food and medications to clients who needed transportation
  - Medical staff saw patients in their cars
  - Food Pantry offered curbside pick up
  - Volunteers engaged by virtual and offsite opportunities

**YOU made us ready**

- *GoochlandCares has emerged more:
  - Confident
  - Clear
  - Creative*

We are mindful of the countless hours and hardships so many have faced. Everyone rose to the occasion in the most challenging time in our lives. We have learned the importance of human connection even when 6 feet apart. The distance has brought us closer and unified us in our commitment to community and has deepened our relationships bringing the entire Goochland community together.

COVID has forced everyone to deeply consider the fundamental importance of home- of having a safe, decent, and affordable shelter. For far too many families, “shelter in place” exacerbated the conditions with which they have struggled for long. GoochlandCares along with Goochland County developed a Housing GVA task force of 22 partners to study the urgent housing needs in our county.

Despite these challenging times your generosity and care for our community continues to inspire hope for what we can accomplish together. Our work only happens because of people like you. It is your generosity, presence and participation that help make our communities whole.

Thanks to your partnership, we can continue to serve our community needs today while building for a better tomorrow for all who call Goochland home.
“The medical clinic diagnosed me with stage 4 colon cancer. Before chemo could begin, I had to have my infected teeth pulled. The GoochlandCares dental department was able to fit me into their schedule so that I could start my chemotherapy right away. They also helped me with food for my family and dog. I have a long road ahead of me but I have the great people at GoochlandCares supporting me.”
YOU make us strong.

At the Free Clinic, staff and volunteers work together to diagnose, prevent, and treat health problems. Doctors, dentists, nurses, dental hygienists, specialists, counselors, and administrative assistants get to know each client’s personal story.

At the start of the pandemic, we prioritized remaining open, initially using curbside and telemedicine. As we instituted safety measures and procured adequate PPE, we were able to bring patients into the clinic for in-person medical and dental visits. Through tele health, curbside exams, and onsite lab capabilities we were able to continue to treat chronically ill clients keeping them out of local emergency rooms and reducing the risk of COVID 19 to our community. Our continued focus has been to ensure that we provide the best care and services possible to clients.

Your support delivers quality, client-centered care in an environment of safety and privacy.

In 2020, you delivered

2068 Medical and Mental Health Care visits,
1683 Dental Care visits,
360 Trips for medical appointments totaling 16,435 miles, and
2657 Prescriptions valued at $881,116.
“The food pantry curbside pickup was a life saver for my family. You never stopped helping us with food even when COVID got real bad. You will never know how thankful we are.”
YOU make us strong.

The Food Pantry shelves stayed stocked with your donations of non-perishable food, milk, meat, eggs, fresh fruits, vegetables, and personal hygiene products. Individual volunteers and volunteer groups collected, sorted, and shelved items and assisted clients with shopping for needed supplies.

Our Food Pantry moved from a grocery store model, where clients “shop” for their food, to a model where we offered online and phone pre-ordering and contact-free, curbside grocery pick-up. Many donations came in from our Amazon wish list, Goochland Rotary held a cleaning supplies drive, and countless neighbors collected needed items for the Food Pantry. Many volunteers stepped up and continued to pick up donations from grocery stores. The community’s generosity was inspiring.

Your support and in-kind donations help combat hunger and food insecurity.

In 2020, you provided
486,479 meals nourishing 932 families.

"The Clothes Closet is so important for my family especially with kids. I can use my credits to get them new clothes, because they are growing out of them so fast. I am so grateful now they aren't embarrassed to go to school wearing clothes that don't fit."
YOU make us strong.

The Clothes Closet relies on your in-kind donations of clothing and household goods.

You provide clients with clothing needed for school and work, as well as small appliances and supplies needed for home. Your support also helps stock our Emergency Housing facility and resettles individuals and families moving into their own place.

In 2020, you clothed
559 neighbors including 201 children.

The Clothes Closet is open to the public for shopping.

"One evening I noticed a water stain on my ceiling and before I could get it fixed it started leaking in the kitchen and bedroom. I called GoochlandCares and they came out and said it was too far gone and I needed a whole new roof. I can’t even pay my regular bills much less spend thousands on a new roof. I am so blessed that GoochlandCares home repair program took care of it. The staff and contractor was great. I no longer worry that my roof might fall in. Thank you!"
YOU make us strong.

These four programs are designed to ensure our neighbors have safe and stable housing and are able to meet their basic needs. When we are unable to prevent homelessness through Financial Assistance, Critical Home Repair, and Case Management, families may be able to take refuge in our Emergency Housing shelter.

Because many of our clients had their hours cut at work, we saw an increase in demand for our services. We set up a COVID Emergency Fund to provide direct and additional relief to those in crisis. Clients received financial assistance, case management, and applied for home repair by phone. We hired an additional case manager to help with our COVID response.

Your support keeps neighbors safe in their homes, prevents homelessness, and shelters clients if they do become homeless.

In 2020, you helped

- 173 neighbors, including 74 children, stay in their homes with Financial Assistance;
- Restore 55 homes to safety in 67 Critical Home Repair projects;
- Shelter 29 individuals, including 6 children for 1460 nights in Emergency Housing.
- Bring resiliency to 513 households case management clients, including 238 wellness calls to our most vulnerable families during COVID
"I called the hotline after I couldn't take the threats anymore. I knew he meant it and I was scared. The staff at GoochlandCares helped me get out when my husband was at work. I was able to go to my sisters house where I felt safe for the first time in over 10 years."
YOU make us strong.

Sexual and Domestic Violence Services are FREE and available to ANYONE regardless of income or residency.

Our Emergency Shelter never closed. We were able to quarantine families to keep everyone safe. We provided safety planning, counseling, and case management via phone and video conferencing. We saw a dramatic increase in requests for Domestic Violence support. In one month alone, we saw a nearly 200% increase in clients from the prior month.

Your support empowers those who experience violence, fear, and uncertainty in their lives.

In 2020, you ensured safety through
40 hotline calls and safety planning (and more)
for 84 neighbors who needed services and support.

If you, or someone you know, needs assistance, call:

"When Covid hit, students couldn’t attend ESL classes any longer onsite at GoochlandCares. When I offered to have Zoom classes, my students faithfully attended."
YOU make us strong.

For some, the first step toward a brighter future means earning a GED certificate or gaining language skills. There is no income or residency requirement for GED or ESL classes held at GoochlandCares. Classes, tutoring, and exams are FREE.

Our GED/ESL program instructors moved to a virtual learning experience for their students. Many clients do not have internet services, so GoochlandCares expanded its wi-fi service to our parking lot. The learning continued throughout the pandemic.

Your support creates a better tomorrow for those eager to learn.

In 2020, you brought hope to
15 GED students with 1 graduate plus 4 ESL participants.

GoochlandCares is a Certified Service Enterprise.

GoochlandCares is recognized for excellence in leveraging volunteers and their skills across all levels of the organization to successfully deliver on its social mission.
YOU make us strong.

Even in a pandemic volunteers make program delivery possible to ensure our clients had the services they need. While onsite volunteering was paused early on, volunteers never stopped picking up food from grocery stores, providing tele health, and helping remotely. In June 2020, many volunteers returned onsite and made it possible for GoochlandCares to become fully operational. GoochlandCares is proud to be recognized as a Service Enterprise for demonstrating excellence in volunteer engagement throughout the organization.

Your support makes fulfilling our mission possible.

The 2020 SHINING STARS CAMPAIGN was an inaugural event honoring 5 select GoochlandCares citizens whose commitment and dedication to serving others make a difference in the lives of neighbors in need.

Bob Bennett, MD, Lisa and Charlie Luck, and Liz and Al Rider were the GoochlandCares 2020 Mission Champions.

These STARS embody GoochlandCares values of empowerment, community, compassion, quality, and client-centered care. They consistently support and promote GoochlandCares personally and professionally. A three-month online campaign was designed to reach both existing and new donors.

A wonderful celebration evening planned at Richmond Audi, March 21st had to be cancelled. But the campaign lead by event co-chairs Jill Hunter and Wendy Popp raised $100,000. More than we could have imagined.
Richmond Country Club (RCC) celebrated its 70th Anniversary in 2020. They selected GoochlandCares as the philanthropy to benefit from a portion of their proceeds due to our long-standing relationship. The sold out tournament raised $20,000 for GoochlandCares!

What an amazing feat during stressful times!

RCC’s title sponsor was The Joel Bieber Firm! Thank you so much to Joel!

Many volunteers from RCC and GoochlandCares participated. Special thanks go out to Wade Kennedy, the leader of the RCC team and Tracey and David Harbaugh, Dan Stepnicka, Toni Cleveland, Tricia Bezek, Heidi Hall, Judi Saxon, Penny Tuthill and all of the many volunteers for seeking out sponsors, silent auction, and raffle sponsors.

Goochland is a community that cares!

"I became totally dependent after the promises of a loving union forever. I sold my car, gave him all my money, then quit my job, and eventually quit hanging around my family and friends. Once he saw I was locked in then it really hit the fan. GoochlandCares helped me get out. I have been struggling for the past year since my husband died to make ends meet. I would like to thank the staff, and volunteers at GoochlandCares from the bottom of my heart. This year has been a rough one for everyone not just me. I find it hard to believe that I lost my husband a whole year ago. I don’t know what I would do without the kindness and generosity of GoochlandCares. You helped me with paying for my mortgage when I got behind, plus food and clothing. I look forward to giving back one day in the future. God Bless you all and know you are in my thoughts and prayers.”

I work construction and did not have any health or dental insurance. I had not seen a dentist since I was in grade school. My tooth started to really hurt, and aspirin would not help. I went to GoochlandCares and qualified as a client. GoochlandCares got me in to see their dentist on a Tuesday night so I did not miss any time from work. I had a very infected abscessed tooth pulled. I was so nervous, but the staff was comforting and helped with my nerves. I was able then to shop in the food pantry and get soft foods that I could eat for the next few days while my mouth healed. GoochlandCares was so great and I did not lose any time from my job."

Dear Friends,

Years ago, when my wife Jan and I became donors and volunteers at GoochlandCares, I could not have anticipated how much our involvement would mean to us, but also how much the support of GoochlandCares means to our community.

In 2020 especially, we were reminded of how important the Food Pantry, Medical Clinic and ten other critical services, are to our most vulnerable neighbors.

Being part of the good that GoochlandCares does has been among the most gratifying experiences we have had in supporting our community.

Today, I am so excited to share with you the creation of the Mary Ross Reed Society – honoring not only the compassion and efforts of one of the founders of what would become GoochlandCares, but also those among us who have made provisions for GoochlandCares in our estate plans.

I am proud that Jan and I have made a planned gift to continue supporting GoochlandCares into the future. I hope you will join us in considering your own legacy. Please know how much your support has meant to countless neighbors and how much you are appreciated.

Together, we can ensure the future of this organization.

Sincerely,

Keith Reynolds
A legacy of caring.

**Planned Giving** provides an opportunity for you to create a legacy in support of GoochlandCares. By including GoochlandCares in your estate plans, you help ensure delivery of life-saving services to neighbors in need. The Mary Ross Reed Society recognizes individuals who have made provisions in their estate plans for GoochlandCares.

YOU make us strong.
VOLUNTEER SPOTLIGHT

In 2020, Ken and Betty King made us strong.

“GoochlandCares is a wonderful organization that provides many services to people in need throughout the community. Especially during the pandemic, the need for help has increased. We are honored to serve those with food insecurity and to be part of the volunteer team.”

— Ken & Betty King

Ken King started volunteering in January 2020. When onsite volunteering was paused due to Covid-19, Ken recruited his wife, Betty, to help pick up food. Despite the pandemic Ken and Betty King never stopped picking up donations for the Food Pantry. They went to our local Food Lion dozens of times and donated over 200 hours of service to GoochlandCares. With their help we were able to provide healthy food choices to clients.
